STRIMS, ISIN publishes answers to the most frequently asked questions from healthcare facilities and dental practices

An information webinar for holders of x-ray machines for medical use will take place on 22 March

Available online, on the STRIMS website (www.strims.isinucleare.it [1]), a collection of answers to questions received from healthcare facilities and dental practices during the webinars of 8 and 9 February 2023.

Click [here](#) [2] to read answers to frequently asked questions.

Furthermore, a video tutorial is available which illustrates the procedure that holders of x-ray machines, subject to notification for medical use in healthcare facilities, must follow to:

- access the STRIMS electronic register;
- register;
- transmit the required information.

The holders of x-ray machines subject to notification for medical use in healthcare facilities also include dental and dental practices.

Click [here](#) [3] for the video tutorial.

A specific information Webinar will be organized on 22 March for owners of X-ray machines for medical use in healthcare facilities on the functionality of the STRIMS system.

The link to register for the event is: https://ecocerved-it.zoom.us/webinar/register/WN_XrLCZ-GFRReYfdLfZ2DZJw [4]
