STRIMS, March 29 webinar for for public or private healthcare facilities that use radioactive sources for exposure purposes

From 31 March 2023 also for public or private healthcare facilities that use radioactive sources for exposure purposes, the obligation to register on the STRIMS computer system will start, by accessing the appropriate section of the ISIN institutional site (<https://strims.isinucleare.it> [1]) and communicate, electronically, the data requested pursuant to art. 48 of Legislative Decree no. 101/2020.

ISIN has therefore organised, for 29 March, a specific information webinar for holders of x-ray machines for medical use in healthcare facilities, which aims to provide useful information on the functionality of the STRIMS system.

The link to register for the event is:
