STRIMS, new functionality for data consultation by Public Administrations

ISIN has taken steps, in compliance with the provisions of art. 48, paragraph 3, art. 52, paragraph 5 and art. 67, paragraph 4 of Legislative Decree 101/2020, to make a new functionality operational on STRIMS to allow state administrations and bodies, in particular bodies with inspection functions, access to consult the data recorded on the system, for its own institutional purposes.

Access to the system will be operational from Friday 29 September 2023.

On the same day on Friday, at 2.30 pm, ISIN will hold an illustrative webinar in which all interested Public

STRIMS, new functionality for data consultation by Public Administrations

Published on Ispettorato nazionale per la sicurezza nucleare e la radioprotezione
(<https://www.isinucleare.it>)
