## **CBTO praises the work of ISIN and the staff of its nuclear surveillance laboratory despite the Coronavirus emergency**

Lassina Zerbo, executive secretary of the Organization for the application of the UN treaty on the ban on nuclear explosions (CTBTO), today with a tweet published on the Twitter profile and on the Organization's website, expressed appreciation for the activity of our laboratory "RN10".

The CTBTO secretary underlined the commitment of the Italian staff, which is constantly operating despite the stringent measures put in place by our country to face the epidemic.
